GAINSBOROUGH TOWN COUNCIL ANNUAL RETURN

Internal Audit - Additional Notes

G. We cannot confirm that PAYE and NI contributions were properly applied as the current schedule for testing does not provide for this level of detail.

H. We were unable to confirm that the authority's asset register was complete and accurate as a copy was not made available during the audit.

J. This is not an area reviewed as external audit complete an audit of accounts. Historically we have verified that accounts have been audited and submitted within timescales. This has always been found satisfactory so has been removed from the testing schedule as it is low risk.

As such we cannot provide specific assurance on the accuracy of accounting statements prepared during the year. However, we can confirm that all transactions reviewed had been processed on a timely basis and accurately reflected within the finance system.

M. Not applicable as the Council does not have any trust funds.

Section 3 – External Auditor Report and Certificate 2018/19

In respect of

Gainsborough Town Council – LI0139

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2018/19

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

- The annual internal audit report focuses on a series of internal control objectives covering an authority's key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor's annual report is not consistent with the additional notes provided that explain the "No" and "Not covered" responses. The additional notes suggest that a positive conclusion has not been provided on the following internal control objectives: G, H and J. However, objective G has a positive response on the annual internal audit report. The annual internal audit report will inform the authority's response to assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere.

3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
