Gainsborough Town Council prides itself on providing a high-quality service in all of its activities and the content of this Handbook, along with your Statement of Main Terms and Conditions of Employment, will provide you with the employment information you need as well as all of the policies and procedures you are expected to follow.

At the early stage of your employment, you will receive an induction informing you of relevant Council information. Such information will include the Health and Safety aspects of your environment.

Training relevant to your position will be provided and you will be responsible to your Manager.

Your hours of work and all other key aspects of your employment are detailed in your Main Terms and Conditions of Employment, this employee handbook contains non-contractual procedures.

The Council welcomes you into our team and, as we have an open-door policy, please feel free to approach us with any concerns you may have, or to let us know of any areas you feel we, as a team, could improve upon.

We look forward to working with you.

Equal Opportunities Statement

Gainsborough Town Council is committed to providing equal opportunities for all employees, including job applicants.

The Council provides equal opportunities regardless of disability, skin colour, race, religion, religious or philosophical beliefs, age, sex, pregnancy and maternity, marital status, sexual orientation, gender reassignment, ethnic origin, or national origin.

Therefore, any employee found to be in breach of this equal opportunities policy, will be subject to disciplinary action in accordance with the disciplinary procedures as contained within this Handbook.

The full Equal Opportunities policy is available upon request from the Office.

Remuneration

Introduction

All employees' wages/salary will be paid as detailed below. In the event you have any concerns relating to your pay, you are asked to raise them with the Deputy Clerk and Responsible Financial Officer or in his/her absence the Town Clerk at the earliest opportunity.

If you have been underpaid for any reason, every effort will be made to rectify the matter as soon as is practicably possible.

Wages/Salary Payments

- All employees will be paid on the 25th of each month direct to your designated Bank Account (this may vary due to statutory Bank Holidays).
- You will receive a wage slip explaining how your pay is calculated and any deductions will be shown.

NJC Pay Rates

All staff are paid by reference to the National Joint Council (NJC) rates of pay which are reviewed on an annual basis and changes implemented on 1st April each year.

National Agreement on Pay and Conditions of Service

The Council broadly accepts the provisions of the National Agreement on Terms and Conditions agreed annually between the National Association of Local Councils (NALC) and the Society of Local Council Clerks (SLCC). This is agreed after reference to the Joint Council for Local Government Services agreement. This may be more commonly known as the NJC Conditions. In some cases, the Council may adopt its own policies and procedures as set out in your Contract of employment, Employee Handbook, and the HR Manual.

Overtime and Time Off in Lieu

Overtime pay is not permitted.

In general employees who are on flexitime arrangements will be expected to manage overtime worked in accordance with the flexitime policy. Staff who are on fixed hours will also be expected to take time off in lieu for occasional overtime requests as part of the flexible working approach required of all employees. Time off in lieu should also be taken if there is a requirement to work on a statutory bank holiday. Certain on-going jobs however do unavoidably require to be worked outside normal hours, and where this is the case employees who are asked to do overtime on a regular or semi-regular basis will be paid. Examples of such cases are: cemetery gate locking, caretaking work after midnight and cemetery work outside of normal working hours (which can be

recovered from the customer) and the overtime rate will be 1.5 times time for authorised hours worked greater than 37 or such hours as are specified as the basic weekly working hour requirement under an annualised contract.

Flexitime

Some employees will have formal flexitime arrangements which are part of their contractual terms. The details of such a scheme, if appropriate will be issued with your Main Terms and Conditions of Employment.

A flexitime scheme places an employee in a position of significant trust. You do have an obligation to work your contracted hours and the flexitime scheme allows you to do so over a period of time. Deliberate failure to work contracted hours constitutes gross misconduct and could lead to dismissal.

In order to operate the scheme, it is important that Flexitime Records are kept up to date. You may be asked to produce your current or past Flexitime Record. Failure to maintain or produce an up-to-date record when required could lead to disciplinary action.

While Flexible Time allows you flexibility in determining your working hours it is a general requirement that the needs of the job will be satisfied. Therefore, it is expected that Flexible Time will be used sensibly and that employees will plan to work when required to do so. For example, where an evening meeting is scheduled which requires your attendance then in all normal circumstances it is expected that Flexible Time will be used to meet this requirement. In the event that such needs of the job are not being met then the Flexitime scheme may be suspended or terminated.

Whenever your use of flexitime creates a pattern of work which is significantly different from the Standard Working Day then you should as far as is possible let the Town Clerk and other affected colleagues know of your planned work schedule.

Time off

Time off may be required for medical or dental appointments, and staff are required to use any accrued flexi time for this purpose. Where such time off is required it will only be granted at the discretion of the Clerk to the Council.

Where possible, such appointments should be outside normal working hours.

Reimbursable Expenses

Where an employee is required to travel as a requirement of their job the Council will reimburse then at £0.45 per mile unless that employee is paid in accordance with the NJC Rates of Pay in which case NJC mileage rates will apply. Full and detailed records must be kept of all Council business mileage.

Insurance Premiums

If the Clerk to the Council is required to use their car for Council business purposes, then the Council will reimburse the amount of the difference between the ordinary social and domestic amount and that required by the insurer for business purposes. The Council may also reimburse the same cost for other staff members at its sole discretion.

Disclosure and Barring Service Checks (DBS)

Where required, employees will have to undergo an DBS check as an element of our work can be carried out in residential areas where there may be elderly living alone, living in sheltered housing, living in residential homes, young mothers with new babies, or children at a school.

The Disclosure and Barring Service will only issue DBS certificates to the applicant only. Therefore, the Council will ask all employees and prospective employees to show the necessary certification. Subject to an employee's written or verbal agreement, the Council will track/carry out a status check on their DBS certificate. Information will only be passed to those individuals authorised to receive it in the course of their duties.

Disclosure of information will only be used for the specific purpose that it has been requested for and for which the individual staff members consent has been sought.

A DBS check uses a range of different information sources, including the records of:

- the Police National Computer (PNC) and other data sources
- the Independent Safeguarding Authority

Holiday Rules, Policy and Procedures

Introduction

Gainsborough Town Council requires all employees to request holidays in accordance with the rules and procedures as set out below.

Rules and procedures

- Due to the nature of our business, you must, using the holiday request form (a holiday card to be presented to the Town Clerk or Deputy Clerk in their absence) give at least two weeks' notice of the requested dates.
- No more than 2 consecutive weeks may be taken at any one time. However, in special circumstances, a longer period of holiday/additional holidays may be granted by Town Clerk. Such requests must be made in writing.

- Employees are asked not to pay for any holidays e.g. abroad, prior to your request being granted by the Town Clerk. In the event your holiday request is refused, the Council will not be held accountable for any money or deposit you may lose.
- Holiday pay, including Bank Holiday payments, will be paid at your normal rate of pay.
- Part time employees will receive holiday pay and holiday days pro rata.
- All employees are permitted to carry over up to 5 days annual leave per year.
- You may be required to work on a Bank Holidays, for which you will be paid as normal and entitled to take one day off in lieu at a mutually agreed date.
- All employees must reserve holiday days for the Christmas and New Year close down period. Such dates will be communicated to you well in advance.

Additional Statutory Employee Rights

Introduction

There are several employment statutory rights (see list below), which apply to all qualifying employees within Gainsborough Town Council. Such rights include, for example, the right to take unpaid time off work to take care of a personal emergency.

As employment legislation has the potential to change or be updated twice yearly (but can be updated at any time), all employees are asked to discuss their situation/needs with your Line Manager. They will look into the qualifying criteria under current statutory requirements and entitlements. Once your situation and/or needs have been established, your entitlements (or not, if that is the case) will be explained to you and applied accordingly.

Examples of additional statutory leave/time off:

- Time off to attend jury service.
- Time off for training/educational needs.
- Maternity/Paternity/Adoption/Shared Parental leave and Parental Bereavement leave.
- Time off to take care of dependants in an emergency (e.g. child, parent etc.).
- Unpaid parental leave and shared parental leave (birth or adoption).

Health and Safety

Introduction

Gainsborough Town Council takes all reasonable precautions to provide and maintain safe and healthy working conditions which comply with duties under The Health and Safety at Work Act 1974 and The Management of Health & Safety at Work Regulations 1999. Such compliance, and how the Council manages this important area, is contained within the Health and Safety manual located at Richmond House. Also contained within this manual is the Council's Health and Safety Statement and Policy which you are entitled to view upon request.

Upon commencement of employment, all employees will be trained on all Health and Safety aspects of the Council's activities, and you are asked to place Health and Safety high on the agenda. With this in mind, the following points are designed to serve as a reminder of your duties under The Health and Safety at Work Act 1974.

Duty of employees

- All employees have a duty to take reasonable care of themselves and others, including visitors; this also applies when visiting clients/sites.
- Relevant employees shall not drive a Council vehicle if medication restricts their ability to do so. The Town Clerk and the Operations Manager must be informed immediately, and alternative duties will be arranged.
- Where relevant, employees must wear their protective clothing, e.g. gloves, overalls, hard hats, and other equipment, when carrying out specific duties and, if appropriate, whilst visiting clients' sites/premises.
- Employees shall request replacement protective clothing or equipment for damaged or misplaced items from the Operations Manager. Such clothing and equipment are stored at Richmond House.
- In the event you have an accident at work, whether you receive an injury or not, you must report it to the Town Clerk or the Deputy Clerk in his/her absence.
- All accidents and 'near misses' must be entered into the accident book which is situated at Richmond House.
- All employees shall inform The Town Clerk and the Operations Manager of any hazard or danger that may be a risk to the Health and Safety of themselves or others.

- All employees shall inform The Town Clerk and the Operations Manager of any actions displayed or acts or omissions committed by other employees which may cause a risk to Health and Safety.

Failure to abide by the Council's Health and Safety policy and procedures may result in disciplinary action being taken against you. Such action, dependent on the seriousness of the breach, or repeated breaches of the policy, may result in dismissal.

Alcohol and Drugs Policy

Alcohol and drug misuse or abuse can be a serious problem within the workplace. Employees who drink excessively or take unlawful drugs are more likely to work inefficiently, be absent from work, have work accidents and endanger their colleagues. The Council has a duty to protect the health, safety, and welfare of all its employees. However, the Council recognises that, for a number of reasons, employees could develop alcohol or drug related problems. In relation to drugs, these rules apply to those that are unlawful under the criminal law and not to prescribed medication. These rules aim to promote a responsible attitude to drink and drugs and to offer assistance to employees who may need it.

Advice and counselling

It is the Council's intention to deal constructively and sympathetically with an employee's alcohol or drug related problems, such as alcohol or drug dependency. When it is known that an employee has an alcohol or drug problem, The Town Clerk will be able to provide advice and guidance on how to seek suitable treatment. The primary objective of any discussions will be to assist the employee with the problem in as compassionate and constructive a way as possible. Any discussions of the nature of an employee's alcohol or drug problem and the record of any treatment will be strictly confidential unless the employee agrees otherwise.

If you have an alcohol or drug problem, you should seek appropriate help. If you have an alcohol or drug problem which affects your conduct or performance at work and you refuse the opportunity to receive help, the matter will be referred for action under the Council's disciplinary procedure as appropriate. Likewise, if after accepting counselling and assistance, and following review and evaluation, your conduct or work performance reverts to the problem level, the matter may also be dealt with through the disciplinary procedure.

Prohibition on alcohol and drug consumption in the workplace

No alcohol or drugs must be brought onto or consumed on Council premises at any time or whilst attending any training courses, whether internal or external. Staff must never drink alcohol or take drugs if they are required to drive private or Council vehicles on Council business. Staff must also not drink alcohol or take drugs when they are on operational standby or on call.

Employees representing the Council at business/client functions or conferences or

attending Council organised social events outside normal working hours are expected to be moderate if drinking alcohol and to take specific action to ensure they are well within the legal limits if they are driving. They are prohibited from taking drugs on these occasions.

Social drinking after normal working hours and away from the Council's premises is, of course, generally a personal matter and does not directly concern the Council. The Council's concern only arises when, because of the pattern or amount of drink involved, the employee's attendance, work performance or conduct at work deteriorates.

A breach of these provisions is a disciplinary offence and will be dealt with in accordance with the Council's disciplinary procedure. Depending on the seriousness of the offence, it may amount to gross misconduct and could result in the employee's summary dismissal.

Alcohol and drug related misconduct

Whilst these rules are aimed at assisting employees with alcohol or drug problems, action will nevertheless be taken under the Council's disciplinary procedure if misconduct takes place at work as a result of drinking or taking drugs, or if an employee is found to be under the influence of alcohol or drugs whilst at work. Even a small amount of alcohol can affect work performance and, if an employee is found under the influence of alcohol whilst at work, there could be serious health and safety consequences. The same applies to being under the influence of drugs. Incapacity or misconduct caused by an excess of alcohol or drugs at work is a potential gross misconduct offence under the Council's disciplinary procedure and the employee is therefore liable to be summarily dismissed. This also applies to any employee believed to be buying or selling drugs or in possession of or taking drugs on the Council's premises.

The Council reserves the right in any of these circumstances to arrange for the employee to be escorted from the Council's premises immediately and sent home without pay for the rest of the day or shift.

Alcohol and drug testing

On the grounds of protecting health and safety and only where necessary to achieve a legitimate business aim, the Council reserves the right to carry out random alcohol and drug screening tests on those employees in the workplace whose activities and job duties have a significant impact on the health and safety of others. If an employee receives a positive test result, this will be viewed as a potential gross misconduct offence and renders the employee liable to summary dismissal in accordance with the Council's disciplinary procedure. Unreasonable refusal to submit to an alcohol or drug-screening test will also be dealt with through the disciplinary procedure.

Emergency First Aid at work

In order to protect the wellbeing of our employees and to promote a safe working environment, the Council have appointed emergency first aiders to deal with any emergencies.

Smoking Policy

To comply with legislation, smoking is not permitted inside any of the Council buildings. This policy also includes Council vehicles. If you do smoke, this will only be allowed during authorised breaks and only in outside areas as explained to you during your induction.

The policy also includes the use of e-cigarettes.

Employees found to be in breach of this policy, which will be regarded as gross misconduct, will be subject to the disciplinary procedures as laid out in this Handbook.

CCTV Policy

The Council operate Closed Circuit Television (CCTV) throughout the business premises to ensure a safe and secure working environment for employees and all visitors.

The Council will use the images caught on CCTV to uphold any and all of its policies and procedures, including but not limited to its disciplinary procedures.

A full copy of the Council's CCTV policy is available from the Town Clerk or the Deputy Clerk in their absence.

Council Policies and Procedures

Introduction

As with all Companies, whether large or small, several policies and procedures have been devised and developed in conjunction with internal and external needs and requirements. That is to say, both employees and clients alike have been accommodated when creating such policies, to ensure the business remains workable. One example of this is the absence policy as detailed below. This policy is designed to allow for preparation to cover absent employees where necessary, ensuring minimum disruption is caused. Additionally, several other Council policies and procedures have been developed with the guidance of the Directors, legislation and/or other significant bodies, e.g. ACAS, an example of this being the Discipline and Grievance Procedures.

Continuous Service

For the purposes of entitlements to annual leave, sick pay arrangements, and maternity arrangements, continuous service includes continuous previous service with any public authority to which the Redundancy Payments (Continuity of Employment in Local Government etc.) (Modification) Order 1999 applies.

Absence Rules, Policies and Procedures

In order for the Council to remain efficient and minimise any disruption, employees are asked to adhere to the absence and lateness reporting rules and procedures as set out below. By doing so, appropriate arrangements can be made to ensure adequate cover is available where and when necessary.

- Employees shall **not** report any period of absence or lateness by way of mobile text messages. This rule also applies to work related issues.
- Employees are asked to contact the Council as soon as possible before the commencement time of your working hours, as stated in your Main Terms and Conditions of Employment.
- Employees shall inform their Manager of the reason for each absence and expected date of return.
- Employees shall inform their Manager of the reason for each period of lateness.
- Where appropriate, employees shall remain in contact with the Council on a daily basis where periods of absences extend to more than 1 day.
- **Each** period of absence extending to 7 days or **less** must be supported by a self-certification form, available from the Town Clerk or Deputy Clerk. The form must be completed, stating the reason for your absence, signed, dated, and returned to him/her.
- **Each** period of absence extending to 7 days or **more** (including Saturday and Sunday) must be supported by a current Doctor's medical certificate/s for the duration of your absence. The certificate/s must be submitted to the Town Clerk or Deputy Clerk.
- Long term absences must be supported by consecutive Doctor's medical certificates.
- If the given date on a medical certificate lapses and you do not provide a replacement, you will be considered absent without authorisation.

Important

Although the Council is sympathetic to periods of absence due to illness, it may be considered necessary, where persistent, or long-term absences become a concern, to contact your Doctor and seek a medical report. This will only be exercised with your permission and in accordance with current statutory requirements.

The Council also reserves the right to require you to be independently medically examined at the Council's expense.

In the event an employee is absent, whether long term or intermittent, and the reason for such absences are found not to be genuine, disciplinary action may be taken which may ultimately lead to dismissal.

Illness & Statutory Sick Pay

Employees should report all accidents immediately, or as soon as possible, to the Clerk; or whoever is deputising in their absence.

In the event of time off due to illness:

- 1 Notification should be given as soon as possible during the first day of incapacity.
- 2 Employees need to complete a Council Sickness Self Certification Form after 3 consecutive days of sickness absence.
- 3 A GP's Statement of illness is required after seven consecutive days absence.

Please note that failure to comply with the sickness reporting requirements may result in the Employee losing their sick pay for the period in question.

Employees are entitled to Council sick pay paid at the following rates:

Length of Continuous Employment	Council Sick Pay Entitlement	
	Full Pay	Half Pay
Up to 12 months	1 month	1 month
Up to 2 years	2 months	2 months
Up to 3 years	3 months	3 months
Up to 4 years	4 months	4 months
Up to 5 years	5 months	5 months
Over 5 years	6 months	6 months

This includes payment of Statutory Sick Pay (SSP), which is payable to Employees whose weekly pay is equal to or, exceeds the National Insurance Lower Earnings Limit. SSP is payable to Employees for up to a total of 28 weeks within any twelve-month period. If the period of sickness exceeds twenty-eight weeks, SSP will end and the Employee will be required to claim Incapacity Benefit.

In the event of an Employee being absent for six weeks or more through sickness, or alternatively if the Council has genuine concerns regarding the health of an Employee,

the Council may request that they attend a consultation with a doctor appointed by the Council. The Council will pay for this consultation. The Employee concerned does not have to give their consent to this request, however failure to do so may be seen as a deliberate act to prevent a reasonable investigation by the Council's management.

Medical Appointments

Staff are where possible required to make GP and dentist appointments outside of normal working hours. Staff attending hospital appointments are required to show an appointment card to the Clerk prior to attending the appointment.

Parental Bereavement Leave

If, in the unfortunate circumstances you are a parent or a primary carer and suffer the loss of a child under the age of 18 or after 24 weeks pregnancy, you will be entitled to take up to 2 weeks' parental bereavement leave.

Employees who have sufficient service and earnings will be entitled to statutory parental bereavement pay for this period. Otherwise, you will be entitled to take up to 2 week's unpaid leave.

Further information on the Council's policy can be obtained from the Town Clerk or the Deputy Clerk in his/her absence.

Bereavement Leave

Employees are asked to discuss their needs with Town Clerk or the Deputy Clerk in his/her absence. Such leave will be sensitively granted dependent on the situation and circumstances.

Redundancy

In the event the Council is faced with a potential risk of redundancies, employees will be fully consulted, and every effort will be made to avoid a redundancy situation, by fully exploring any options available.

Employee Checks

It is a condition of your employment to submit to random checks when requested to do so by a member of Management. Such checks may include for example, bags, cars, lockers, and your person. If you or your personal belongings are subject to a check, two members of Management will be in attendance. At least one Manager will be of the same sex as the person being checked. You may also request a work colleague, who is available at that specific time, to be present.

If unauthorised item/s of Council property or item/s belonging to someone else are found during the check, it/they will be confiscated pending further investigations.

If the investigations result in disciplinary action being taken, such action may result in dismissal.

Council Electronic Equipment

The Council has IT systems in place to assist relevant employees in their day-to-day tasks. The full procedures you must follow, and the prohibitions and restrictions of use, must be adhered to at all times. The policy and procedures when using the IT system will be communicated to you during your training.

A full policy is available from the Town Clerk or Deputy Clerk.

Additionally, and where relevant to your position within the Council, you may be supplied with a laptop to which the rules, as stated above, also apply. You are asked to take care of this valuable piece of equipment, particularly when visiting clients. It must be locked away securely in the boot of your vehicle when not in use and your vehicle is unattended. This includes when visiting petrol stations or food outlets.

Theft, which is proved to be due to your negligence, will result in the cost of such equipment being recovered from you.

In the event you leave the Council, the laptop must be returned with all the existing data remaining intact, i.e. the memory must not be erased. Failure to return such equipment will result in the full cost of its recovery and/or a replacement charge being made to you.

Social Networking

Employees are not permitted, during work time or otherwise, whether using work IT systems or personal computer systems, to post, or in any way disseminate information relating to the Council, its business, its customers, or any of its employees on any website, online diary, personal blog, tweet, message board or social networking sites (e.g. Facebook, Twitter).

Non-compliance with this could lead to disciplinary action being taken which may amount to Gross Misconduct.

Further information about the Council's policy can be obtained from the Town Clerk or Deputy Clerk.

Appearance and Housekeeping

In order to promote a clean and healthy environment, all employees must attend work in clean laundered work clothes. This clean and healthy environment extends to the appearance of work rooms/areas and work equipment.

Anti-Corruption and Bribery Policy

It is the Council policy to conduct all of our business in an honest and ethical manner. We take a zero-tolerance approach to bribery and corruption and are committed to acting professionally, fairly and with integrity in all of our business dealings and relationships, wherever we operate, as well as implementing and enforcing effective systems to counter bribery.

We will uphold all laws relevant to countering bribery and corruption. However, we remain bound by the laws of the UK, including the Bribery Act 2010, in respect of our conduct both at home and abroad.

Further information on the Council's policy can be obtained from the Town Clerk or Deputy Clerk.

Whistle Blowing Policy

The aim of the policy is to ensure that our workers are confident that they can raise any matters of genuine concern without fear of reprisals, in the knowledge that they will be taken seriously and that the matters will be investigated appropriately and regarded as confidential.

A copy of the full policy is available from Town Clerk or Deputy Clerk.

Data Protection Act and General Data Protection Regulations

Everyone has rights, with regard to the way in which their personal data is handled. During the course of our activities, we will collect, store, and process personal data about our customers, suppliers, and other third parties, and we recognise that the correct and lawful treatment of this data, will maintain confidence in the organisation, and will provide for successful business operations.

Data users are obliged to comply with this policy when processing personal data on our behalf. Any breach of this policy may result in disciplinary action. Likewise, the Council will ensure that it processes personal data of its employees in the correct manner. Employees will be made aware of the data we process and will be either asked for consent or be informed of the legal reason we are processing this data.

Further information about the Council's Data Protection policy, privacy policy and Data Retention Policy can be obtained from the Town Clerk or Deputy Clerk.

Insurance - Personal Accident and Assault

As a responsible Employer the Council is anxious to minimise the risk to its Employees of personal accident or assault whilst performing their duties. The Council will therefore insure staff against death or permanent disablement arising from and in the course of their duties.

Fidelity Guarantee

For the purpose of securing the Council against the loss of money or other property under the control of its Employees, or in accordance with the requirements of legislation, the Council will maintain adequate insurances to cover such losses.

Death In Service

In the event of an Employee's death in service, any salary, pension, or gratuities due to the employee will be paid the appointed individual.

Annual Performance Review (Appraisal)

A satisfactory performance is a basic contractual requirement. You have a duty to monitor your own performance and to take advantage of appropriate training opportunities as they arise. You should also seek opportunities to improve the way things are done either on your own initiative, if appropriate or in conjunction with your colleagues and management. This will help to maintain the overall quality and cost effectiveness of the services offered and to ensure the continued viability of the employment the council will undertake an Annual Performance Review (Appraisal)

The council will ask you to take part in an annual performance review. We do this both to build on your strengths for your future development and that of the Council; and at the same time offer support/training in the case of any weaknesses.

The reviews should be seen as a positive process, which we believe are beneficial to both the employee and the Council.

Changes in Personal Details

You must notify us of any change of address, next-of-kin etc, so the Council can maintain accurate information on its records and contact you in an emergency. Such changes should be advised to the Clerk to the Council.

Mobile Phones

Employees shall abide by the following rules when operating personal or Council mobile phones:

- Employees shall not operate their mobile phones whilst driving. In the event you do not have a hands-free kit for your Council vehicle, you must ensure you have stopped the car, parked it safely and turned off the engine prior to answering or making a call.
- Personal calls via a Council mobile phone must be limited unless the free use of such is authorised by a Director. This also applies to the use of personal mobile phones during working hours.

- Employees found to be using their Council mobile phone for excessive personal use will be asked to pay for such use. This will be identified through the Council's mobile phone account.
- Employees shall not contact the Council concerning any work-related issues by way of mobile phone text messaging.
- In the event your employment is terminated, the Council mobile phone must be returned with all the existing numbers remaining intact, i.e. the phone's memory must not be erased. Failure to return such equipment will result in the full cost of its recovery and/or a replacement charge being made to you.
- Council mobile phones must not be left unattended whilst visiting clients or left on view in Council vehicles. This includes when visiting petrol stations or food outlets.
- Employees shall not use a camera function on a mobile phone (whether personally or Council owned) to take images or video unless they are for work related matters.
- The sending and/or receiving of 'suggestive' text messages or pictures on a mobile phone (whether personally or Council owned) is strictly prohibited whilst carrying out your duties.
- Employees found to be operating personal mobile phones, tablets, iPods, MP3 Players or similar, without permission, whilst carrying out their duties, will be subject to disciplinary action being taken against them.
- The theft of a Council mobile phone which is proven to be due to your negligence will result in the cost of such equipment being recovered from you.

Use and Maintenance Rules of Council Vehicles

Although a Council vehicle policy is available from the Town Clerk and Deputy Clerk all employees provided with a Council vehicle shall abide by the following:

- Council vehicle insurance only covers employees authorised to use the vehicles for Council purposes.
- Employees may only use Council vehicles for private use with the strict authorisation from a Director.
- Personal driving licences will be requested annually. The Council will ask your permission to access your details from the DVLA web site, under the Data Protection Policy as laid out in this handbook. Or we may ask you to provide this yourself.

- Any road traffic offence(s) for which you are convicted, must immediately be communicated to a Director.
- It is your responsibility to ensure annual services are booked and carried out by the Council's nominated service provider.
- Oil levels, tyre pressure, screen wash, water, emergency equipment, etc. must be maintained at a satisfactory level.
- The vehicles must be kept clean inside and out.
- Smoking is not permitted inside Council vehicles.
- In the event you leave the Council, the vehicle must be returned without delay or as agreed by a Director. Failure to return it will result in the full cost of its recovery being charged to you.

Employees found to be in breach of this policy or driving a Council vehicle when not authorised to do so, will be subject to the appropriate level of disciplinary proceedings being taken.

Vehicle Tracking

The Council reserves the right to install monitoring devices such as satellite tracking systems in all Council vehicles to track the movement of the vehicle during business use. Such devices may record or transmit information such as the location of the vehicle, the distance it has covered, its speed and related information about the user's driving habits. An employee will be advised if a monitoring device has been installed, or will be installed, in their Council vehicle and will also be advised of the nature of the monitoring that will take place.

As Council vehicles may also be used for private use, the Council does not wish to monitor the vehicle when used privately. Therefore, where a monitoring device has been installed, a "privacy button" or similar arrangement will be provided to enable the monitoring to be disabled or deactivated by the employee during private use. Monitoring must not, however, be disabled at any time during business use. If any employee is discovered contravening this rule, they will face serious action under the Council's disciplinary procedure.

The purposes of vehicle tracking are to:

- ensure drivers are not in breach of the Working Time Regulations 1998
- help prevent accidents by monitoring driver speed and habits
- maximise driver performance and productivity and improve customer service

- improve fuel economy by monitoring and managing Council vehicles more effectively
- protect the health, safety, and welfare of lone drivers by ensuring they can be more easily located in the event of an emergency.

In some cases, the Council may be under a legal obligation to monitor the use of vehicles, even if used privately, for example by fitting a tachograph as a permanent fixture in a lorry. In these cases, the Council's legal obligation will always take precedence and the monitoring cannot be turned off.

The Council may use the information obtained from vehicle monitoring in any subsequent disciplinary action where the data shows there has been a breach by the employee of Council rules and procedures.

Satellite Navigation

- If your Council vehicle is fitted with a detachable, satellite navigation system you must ensure it is secure and locked in the glove box or boot compartment of your vehicle when it is unattended. This includes when visiting petrol stations or food outlets.
- In the event you leave the Council, the satellite navigation system must be returned with all data remaining intact, i.e. its memory must not be erased. Failure to return such equipment will result in the full cost of its recovery and/or a replacement charge being made to you.

Theft which is proved to be due to your negligence will result in the cost of such equipment being recovered from you.

Parking of Council Vehicles

Employees are asked to park in designated parking areas only. The Council will not be held accountable for fines incurred due to breaches of this policy.

It is a condition of your employment to ensure your vehicle is locked and secure when unattended and the keys are on your person. This includes when visiting a petrol station or food outlet.

Additionally, all valuables, including Council equipment must be stored in the boot. In the event the vehicle is stolen, due to it not being locked, or broken into due to Council equipment being on display, the Council reserves the right to reclaim any costs incurred from you.

Fines

Employees receiving any form of fine, i.e. speeding fine, parking ticket, toll or congestion charge fine whilst in charge of a Council vehicle shall be responsible for the full costs.

Council Documentation

All Council documentation, paperwork and information which will be at your disposal remain the Council's property. You are asked to take care of it all and not disclose confidential information to any other party. As the contents of such documents contain Council specific information, you are also required to return such materials to the Council in the event your employment is terminated.

Social Events

The Council recognises the importance of a healthy social life for all of its employees, in order to strike a happy work/life balance. However, on occasions where the Council feels that your behaviour has brought its name into disrepute (e.g. Council social events and/or events organised or attended by other Council employees), the Council reserves the right to investigate such matters and if appropriate, instigate disciplinary procedures.

Anti-Harassment and Bullying Policy

The purpose of this policy is to ensure that all our workers are treated with dignity and respect and are free from harassment or other forms of bullying at work.

This policy is for guidance only and does not form part of your contract of employment.

Breach of this policy will be dealt with under our disciplinary procedure and, in serious cases, may be treated as gross misconduct leading to summary dismissal.

A full copy of the Council's policy can be obtained from the Town Clerk or Deputy Clerk.

Disciplinary Policy

General Principles

The aim of the disciplinary procedure and disciplinary rules is to provide a framework within which Managers can work with employees to maintain satisfactory standards of conduct, and to encourage improvement where necessary.

The disciplinary rules should be read in conjunction with our disciplinary procedure. Disciplinary action should only be taken in accordance with that procedure.

If you are in any doubt as to your responsibilities, or the standards of conduct expected, you should speak to your Manager.

- comply with all reasonable instructions given by our Managers; and
- act at all times in good faith and in the best interests of the Council, its customers, and employees.

Please note that this is a non-exhaustive list.

Failure to maintain satisfactory standards of conduct may result in steps being taken under the disciplinary procedure.

This list is intended as a guide and is not exhaustive.

General Principles

This procedure is for guidance only and does not form part of your contract of employment.

This procedure does not apply to cases involving:

- genuine sickness absence;
- proposed redundancies; or
- poor performance or capability.

Minor conduct issues can normally be resolved informally between you and your Manager. These discussions should be held in private, and without undue delay, whenever there is cause for concern. In some cases, an informal verbal warning may be given, details of which will be placed on your personnel records. Formal steps will be taken under this procedure if the matter is not resolved, or if informal discussion is not appropriate (for example, because of the seriousness of the allegation).

Except in cases of gross misconduct or for short term service employees, you will not normally be dismissed for a first act of misconduct. Instead, we will normally give you a warning and a chance to improve.

Where disciplinary allegations are made against a short-term service employee, we may omit some of the steps set down in this procedure and/or vary some or all of the time limits.

Any steps under this procedure should be taken promptly unless there is a good reason for delay. We may vary any time limits if it is reasonable to do so.

Confidentiality

Our aim, during an investigation or disciplinary procedure, is to deal with matters sensitively and with due respect for the privacy of any individuals involved.

All employees must treat as confidential any information communicated to them in connection with an investigation or disciplinary matter.

You are not permitted to make any electronic recordings of any investigative meetings, disciplinary or appeal hearings. Your representative, or any companions or witnesses who accompany you to any meetings or hearings are also forbidden from making electronic recordings.

You will normally be told the names of any witnesses whose evidence is relevant to disciplinary proceedings against you, unless, using our discretion, we believe that a witness' identity should remain confidential.

Witnesses must treat as confidential any information given to them in the course of an investigation, including the identity of any employees under investigation.

Investigations

The purpose of an investigation is for us to establish a fair and balanced view of the facts relating to any disciplinary allegations against you, before deciding whether to proceed with a disciplinary hearing. This may involve reviewing any relevant documents, interviewing you and any witnesses, and taking witness statements.

Investigative interviews are solely for the purpose of fact-finding, and no decision on disciplinary action will be taken until after a disciplinary hearing has been held.

You do not normally have the right to bring a companion to an investigative interview. However, we may allow you to bring a companion if it helps you to overcome a difficulty caused by a disability, or any difficulty in understanding English.

You must cooperate fully and promptly in any investigation. This will include informing us of the names of any relevant witnesses, disclosing any relevant documents and attending any investigative interviews.

The amount of investigation required will depend on the nature of the allegations and will vary from case to case.

Suspension

In cases of alleged gross misconduct, employees may be placed on investigatory suspension from work while an investigation and/or disciplinary procedure is ongoing. The suspension will be for no longer than is necessary to investigate the allegations and we will confirm the arrangements to you in writing. While suspended you should not visit our premises or contact any of our clients, customers, suppliers, contractors, or employees, unless you have been authorised to do so.

Suspension of this kind is not a disciplinary sanction and does not imply that any decision has already been made about your case. You will continue to receive your full basic salary and benefits during the period of suspension.

Formal Disciplinary Procedure

Written information

The Council reserve the right to depart from the precise requirements of the procedure where it is expedient to do so and where the resulting treatment of the employees is no less fair.

Following any investigation, if we consider there are grounds for disciplinary action, we will inform you in writing of the allegations against you and the basis for those allegations. This will normally include:

- a summary of relevant information gathered during the investigation
- documents which will be used at the disciplinary hearing

You will have a reasonable opportunity to consider this information before the hearing.

Disciplinary hearing

We will give you written notice of the date, time, and place of the disciplinary hearing, which will normally be held between two days and one week after you receive the written notice.

You may bring a companion with you to the disciplinary hearing.

You must take all reasonable steps to attend the hearing. Failure to attend the hearing without good reason may be treated as misconduct in itself. If you or your companion cannot attend at the time specified, you should inform us immediately and we will seek to agree an alternative time.

The purpose of the disciplinary hearing is to review the evidence and to enable you to respond to any allegations that have been made against you. If you have a companion, he or she may make representations to us and ask questions but should not answer questions on your behalf. You may confer privately with your companion at any time during the hearing.

The disciplinary hearing may be adjourned if we need to carry out any further investigations. For example, we may decide to re-interview witnesses in the light of any new points that have been raised at the hearing. You will be given a reasonable opportunity to consider any new information obtained before the hearing is reconvened.

Within one week of the disciplinary hearing, we will inform you in writing of our decision (including details of any misconduct we consider you have committed; and the disciplinary sanction to be applied) together with the reasons for our decision. We will also inform you of your right to appeal.

Appeals

If you wish to appeal you should do so in writing, stating your full grounds of appeal, within one week of the date on which you were informed of the decision.

We will give you written notice of the date, time and place of the appeal hearing. This will normally be between two days and one week after you receive the written notice. In cases of dismissal the appeal will be held as soon as possible.

Where practicable, the appeal hearing will be conducted by a Manager who is no less senior to the person who conducted the disciplinary hearing. You may bring a companion with you to the appeal meeting.

We will inform you in writing of our final decision within one week of the appeal hearing. There will be no further right of appeal.

The date on which any dismissal takes effect will not be delayed pending the outcome of an appeal. However, if the appeal is successful, you will be reinstated with no loss of continuity of pay.

Right to be accompanied

You may bring a companion to any disciplinary or appeal hearings under this procedure. The companion may be either a Trade Union Official or a work colleague.

If your choice of companion is unreasonable, we may ask you to choose someone else. For example:

- if in our opinion your companion may have a conflict of interest or may prejudice the hearing; or
- if your companion is unavailable at the time a hearing is scheduled and will not be available for more than five working days.

Dismissals and Disciplinary Action

Disciplinary sanctions

We aim to treat all employees fairly and consistently. Disciplinary action previously taken against other employees for similar misconduct will usually be considered but should not be treated as a precedent. Each case will be assessed on its own merits.

Depending on the seriousness of the matter any of the following stages may be omitted.

Stage 1: Verbal warning

You may be given a verbal warning for a minor act of misconduct where you have no other active warnings on your disciplinary record.

The warning will be confirmed in a letter to you which will set out the nature of the misconduct, the change in behaviour required and the likely consequences of further misconduct

A record of the warning will be placed permanently on your personnel file and will remain active for six months from the date it is given, after which time it will be disregarded in deciding the outcome of future disciplinary proceedings.

Stage 2: First written warning

A first written warning will usually be given for:

- first acts of misconduct where there are no other active warnings on your disciplinary record; or
- minor misconduct where there is an active verbal warning on your record.

The warning will set out the nature of the misconduct, the change in behaviour required and the likely consequences of further misconduct.

The warning will be placed permanently on your personnel file and will remain active for six months from the date it is given, after which time it will be disregarded in deciding the outcome of future disciplinary proceedings.

Stage 3: Final written warning

A final written warning will usually be given for:

- misconduct where there is already an active written warning on your record; or
- cases where there is no active warning on file, but we consider that the misconduct is sufficiently serious to warrant a final written warning.

The warning will set out the nature of the misconduct, the change in behaviour required and the likely consequences of further misconduct.

The warning will be placed permanently on your personnel file and will normally remain active for 12 months or, if we decide that this matter is more serious, for a longer period. Your conduct may be reviewed at the end of this period and, if it has not improved sufficiently, we may decide to extend the active period. After the active period, it will be disregarded in deciding the result of future disciplinary proceedings.

Stage 4: Dismissal

We may decide to dismiss you in the following circumstances:

- misconduct by short term service employees
- misconduct where there is an active final written warning on your record; or
- gross misconduct regardless of whether you have received any previous warnings.

Gross misconduct will usually result in summary dismissal, that is, dismissal without notice or payment in lieu of notice. In cases not involving gross misconduct, you will be given your full contractual notice period, or payment in lieu of notice.

Alternative sanctions short of dismissal

In appropriate cases we may consider some other sanction short of dismissal, such as:

- demotion;
- transfer to another department;
- period of suspension without pay;

- loss of seniority;
- reduction in pay;
- loss of future pay increment or bonus;
- loss of overtime.

These sanctions may be used in conjunction with a written warning.

Capability Policy

Policy and Principles

The primary aim of this procedure is to provide a framework within which Managers can work with employees to maintain satisfactory performance standards and to encourage improvement where necessary.

It is our policy to ensure that concerns over performance are dealt with fairly and that steps are taken to establish the facts. Employees should be given:

- a written statement of the reasons for concern;
- a fair hearing; and
- the right to an appeal hearing

Employees will not normally be dismissed for performance reasons without previous warnings. However, in serious cases of negligence, or in any case involving an employee who has not yet completed 2 years' service, dismissal without previous warnings may be appropriate.

Disabilities

At each stage, consideration should be given to whether the unsatisfactory performance is related to a disability and if so, whether there are reasonable adjustments that could be made to the requirements of the job or other aspects of the working arrangements.

If you have difficulty at any stage of the procedure because of a disability or wish to inform us of a medical condition you consider relevant, you should tell us.

Informal discussions

In the first instance, performance issues may be dealt with informally between you and your Manager as part of day-to-day management. Informal discussions may be held with a view to (for example):

- clarifying the required standards;
- identifying areas of concern;
- establishing the likely causes of poor performance and identifying any training needs;
- setting targets for improvement; and/or
- agreeing a timescale for review.

In some cases, an informal verbal warning may be given if the Manager deems it appropriate. There is no right of appeal.

The formal procedure will be used for more serious cases, or in any case where informal discussions have not resulted in a satisfactory improvement.

Capability hearings

A capability hearing will be held at each stage of the procedure.

Unless it is impractical to do so, we will give you at least 48 hours written notice of the date, time, and place of the capability hearing.

We will inform you in writing of our concerns over your performance and the basis for those concerns. You will have a reasonable opportunity to consider this information before the hearing.

We reserve the right to depart from any stage of the process where the circumstances warrant it.

You must take all reasonable steps to attend the hearing. Failure to attend a hearing without good reason may be treated as misconduct. If you or your companion cannot attend at the time specified, you should inform us immediately and we will seek to agree an alternative time.

A hearing may be adjourned if we need to gather any further information or give consideration to matters discussed at the hearing. You will be given a reasonable opportunity to consider any new information obtained before the hearing is reconvened.

We will give you written confirmation of our decision, the reasons for it, and your right of appeal, within one week of a capability hearing (unless this time scale is not practicable), in which case we will confirm this information as soon as is practicable.

Right to be accompanied at hearings

You may bring a companion to any capability or appeal hearings under this procedure. The companion may be either a Trade Union Official or a work colleague. You must tell the Manager conducting the hearing, in good time before the hearing, who your chosen companion is.

In some circumstances your choice of companion may not be allowed: for example, anyone who may have a conflict of interest, or whose presence may prejudice the hearing.

Your companion may make representations, ask questions, and sum up your case, but will not be allowed to answer questions on your behalf. You may confer privately with your companion at any time during the hearing.

Stage 1: First Capability hearing

Where performance is unsatisfactory, a first capability hearing will be held.

The purposes of the first capability hearing include:

- setting out the required standards that are considered not to have been met;
- establishing the likely causes of poor performance;
- allowing you the opportunity to explain the poor performance and ask any relevant questions;
- discussing measures, such as additional training or supervision, which may improve performance;
- setting targets for improvement; and
- setting a timescale for review

Following the hearing, if we decide that it is appropriate to do so, we will give you a first written warning setting out:

- the areas in which you have not met the required performance standards;
- targets for improvement;

- any measures, such as additional training or supervision, which will be taken with a view to improving performance;
- a timescale for review; and
- the consequences of failing to improve within the review period, or of further unsatisfactory performance.

Your performance will be monitored and is likely to include a review period.

Stage 2: Second Capability hearing

If your performance does not improve within the first written warning period, or if there are further instances of poor performance while your first written warning is still active, we will hold a second capability hearing.

The purposes of the second capability hearing include:

- setting out the required standards that are considered not to have been met;
- establishing the likely causes of poor performance, including any reasons why the measures taken so far have not led to the required improvement;
- allowing you the opportunity to explain the poor performance and ask any relevant questions;
- identifying further measures, such as additional training or supervision, which may improve performance;
- setting targets for improvement; and
- setting a timescale for review.

Following the hearing, if we decide that it is appropriate to do so, we will give you a final written warning setting out:

- the areas in which you have not met the required performance standards;
- targets for improvement;
- any measures, such as additional training or supervision, which will be taken with a view to improving performance;
- a further timescale for review; and
- the consequences of failing to improve within the timescale, or of further unsatisfactory performance.

Your performance will be monitored and may include a review period.

- if your Manager is satisfied with your performance, no further action will be taken;
- if your Manager is not satisfied, the matter may be progressed to a stage 3 capability hearing; or
- if your Manager feels that there has been a substantial but insufficient improvement, the review period may be extended.

Stage 3: Dismissal or Redeployment

If your performance does not improve within the final written warning period, or if there are further serious instances of poor performance while your final written warning is still active, or the situation is so serious we will hold a further capability hearing.

The purposes of the stage 3 hearing include:

- setting out the required standards that are considered not to have been met;
- identifying areas in which performance is still unsatisfactory;
- allowing you the opportunity to explain the poor performance and ask any relevant questions;
- establishing whether there are any further steps that could reasonably be taken to rectify the poor performance;
- establishing whether there is any reasonable likelihood of the required standard of performance being met within a reasonable time; and
- discussing whether there is any practical alternative to dismissal, such as re-deployment to any suitable job that is available at the same or lower grade.

In exceptional cases where we believe that there is a reasonable likelihood of the necessary improvement being made within a reasonable time, a further review period will be set, and the final written warning extended.

If performance remains unsatisfactory and there is to be no further review period, we may:

- re-deploy you into another suitable job at the same or (if your contract permits) lower grade; or
- dismiss you.

A potential outcome of this hearing is dismissal. Dismissal will normally be with full notice or payment in lieu of notice, unless you are guilty of gross misconduct within the meaning of our disciplinary policy, in which case we may dismiss you without notice or any pay in lieu.

Appeals

You may appeal against the outcome of any stage of the formal capability procedure. If you wish to appeal you should do so in writing, stating your full grounds of appeal within one week of the date on which you were informed of the decision.

Unless it is not practicable, we will give you between two days and one week's written notice of the appeal hearing. In cases of dismissal the appeal will be held as soon as possible.

Where practicable, the appeal hearing will be held by a Manager who is senior to the person who conducted the capability hearing. You may bring a companion with you to the appeal meeting.

Our final decision will be confirmed to you in writing, if possible, within one week of the appeal hearing. There will be no further right of appeal.

The date that any dismissal takes effect will not be delayed pending the outcome of an appeal. However, if the appeal is successful, the decision to dismiss you will be revoked with no loss of continuity or pay.

Grievance Policy

General principles

It is our policy to ensure that all employees have access to a procedure to help resolve any grievances relating to their employment, quickly and fairly.

This grievance procedure is for guidance only and does not form part of your contract of employment.

This procedure applies to all employees, regardless of length of service.

Any steps under this procedure should be taken promptly unless there is a good reason for delay. The time limits in this procedure may be extended if it is reasonable to do so.

We may vary this procedure as appropriate to a particular case. The procedure may also be discontinued if it becomes impracticable for either party to continue with it. In any case we will inform you in writing of the final outcome of your grievance.

Written grievances will be placed on your personnel file, along with a record of any decisions taken; any appeal notice; the outcome of any appeal; and any notes or other documents compiled during the grievance process.

Raising grievances informally

Most grievances can be resolved quickly and informally through discussion with your Manager. If this does not resolve the problem, you should follow the standard procedure below.

Written grievances

You should put your grievance in writing and submit it to your Manager unless the grievance is about your manager, in which case your grievance should be submitted to his/her Manager.

The written grievance should indicate that you are invoking this grievance procedure and contain a brief description of the reasons for your complaint, including any relevant facts, dates, and names of individuals involved. In some situations, we may need to ask you to clarify the subject matter of your grievance in advance of the meeting, or to provide further information.

Meetings and investigations

You will be invited to a grievance meeting, which will normally take place no more than two weeks after we have received your written grievance.

We may carry out such investigations as we consider appropriate prior to the meeting. This may involve interviewing you and any witnesses.

You may bring a companion to any of the meetings under this procedure.

You must take all reasonable steps to attend any meetings. If you or your companion cannot attend at the time specified, you should inform us immediately and we will make reasonable efforts to agree an alternative time.

The purpose of the initial grievance meeting is to enable you to explain your grievance and to discuss it with us. If you have a companion, they may make representations to us and ask questions, but should not answer questions on your behalf. You may confer privately with your companion at any time during the meeting.

After the initial grievance meeting, we may carry out such further investigations and/or hold such further grievance meetings as we consider appropriate.

We will inform you of our decision and of your right of appeal, within two weeks of the final grievance meeting. This will be confirmed in writing.

Appeals

Should you wish to appeal you should do so in writing, stating your full grounds of appeal, within two weeks of the date on which the decision was sent or given to you.

We will hold an appeal meeting, normally no more than two weeks after we receive your appeal. Where practicable, this will be held by someone senior to the person who conducted the grievance meeting(s). You may bring a companion to the appeal hearing.

Our final decision will be notified to you within one week of the appeal hearing. This will be confirmed in writing.

Right to be accompanied

You may bring a companion to any meetings held under this procedure. The companion may be either a Trade Union Official or a work colleague. You must tell the person holding the meeting, in good time beforehand, who your chosen companion is. Employees are allowed reasonable time off from duties to be a companion, without loss of pay.

In some circumstances your choice of companion may not be allowed: for example, anyone who may have a conflict of interest, or whose presence may prejudice the meeting. We may also ask you to choose someone else if the meeting would have to be delayed for over five working days because your companion is unavailable.
